RE: Change in Hours at the Household Hazardous Waste Center

Effective November 2014, the Household Hazardous Waste (HHW) Center will no longer be open on the second Saturday of the month. We will continue to operate the HHW Center without any changes on Tuesdays and Fridays from 8:00am to 1:00pm and on Wednesdays from 12:00pm to 6:00pm.

If possible, please update materials you may provide in your communities including websites and newsletters with this change in hours.

If you have any questions or concerns, please contact Jennifer Kosak, the new HHW Facility Manager at jlkosa@kalcounty or 269-383-8741.
