Seasonal Parking

There is no parking on curbed streets between the hours of **3 am and 6 am** from **November 1st through March 31st**.

All vehicles parked in the parking lot behind the South Main Street businesses must be parked on the west side of the lot by 10 pm to avoid having their vehicle towed away.

Park in driveways as much as possible.

This will allow Department of Public Works to plow snow from the streets and parking lots more efficiently.

Thank you.

October 18th
Until the First Snow Fall**

- Loose leaves must be raked to the curb or placed in **Paper Bags**.
- No dirt piles and/or bags of dirt will be collected.
- Everything will be picked up as soon as possible based on the weather.
