

# Vicksburg Parks and Recreation Student Board Members

The Village of Vicksburg is seeking two enthusiastic and dedicated students to join our Parks and Recreation team as Student Parks and Recreation Board Members. These volunteer positions offer an excellent opportunity for students to gain hands-on experience in community engagement, event coordination, and recreational activities management as well as being an advocate and voice for the direction of the parks in Vicksburg in the Village Master Plan.

The positions are open to High School Juniors and Seniors, for a one season term that would run from February to November. Qualified candidates will have good communication skills and the ability to work in a team-oriented environment. An interest in community engagement, green space development, or recreation activities would be helpful as well. The time commitment consists of attending a meeting once a month on the last Monday of the month, 4 Movie in the Park events, and 1-3 other events TBD. Applications can be found [here](#), or on the Village of Vicksburg website. Join us in making a positive impact on the Vicksburg community through Parks and Recreation!
